Info

100% original paint with maintenance history. Car never drove in winter or bad weather conditions. This is unbelievable condition. If you are looking for the best Supra Turbo, this is what you want. See all pictures on our website to convince yourself of the condition of this Supra. All books, tools etc are still with the car. Timing belt has been replaced recently so no worries, only driving and having fun with this car. The Japanese classic cars will be the upcoming market in the next few years, so do not miss this chance to own one of the most iconic Japanese cars. The car is 100% original except from the rear exhaust, which is a Remus part with certificate. This can of course very easily be exchanged with an original exhaust.
