Info

An original Belgian Cayman S Sport. Porsche announced a limited series of the S Sport in 2008, of which only 700 units would be produced. These Caymans had a greater power of 303 hp, a sportier exhaust, lower suspension (10 mm), Alcantara sports steering wheel and gear lever from the 911 GT3 RS, black aluminum rims, black mirror caps and a striping on the side. This was only produced in a few colors including Carrera White, which this car is also available in.

This original Cayman S Sport has only done 34000 km and has always remained in Belgium. It features a manual gearbox, as well as the Sport Chrono Packet for the ultimate thrill.
