Info

Japanese top quality equipped with a 1.3l four-cylinder engine. The car is also equipped with air conditioning, radio and seat heating. The hardtop is opened or closed electrically in a few seconds. Very low maintenance and insurance costs. Good investment. The Copen is becoming increasingly rare and is now a collector's item. With its low mileage, you opt for certainty when purchasing this Copen.

This Copen was delivered new in Germany and has been in Belgium since 2010. Sold with a new service, CarPass and 12 months warranty.
