Info

Fantastic Saab 900 Classic convertible. A Saab convertible is and remains a cult car. The classic 900 version is becoming increasingly difficult to find in good condition. This Saab in a beautiful color combination was delivered new in San Marino in 1993 and benefited from the excellent climate there. Super healthy bodywork as you rarely see. In combination with an anthracite gray velvet interior, this takes you back to the 1990s. It offers excellent space for 4 people.

Perfect car for summer days but also for long distances. The Saab remains an example of reliability and comfort. Stylish classic that will only be appreciated more.
