Triumph TR4A - Perfectly Restored British Classic

This beautifully and qualitatively restored Triumph TR4A is a true masterpiece. Originally sold new in the United States, the car was fully restored after being imported to Belgium. It's clear that the goal was to make this TR4A an extremely reliable and well-driving classic, guaranteeing years of carefree driving pleasure. All hollow spaces and panels have been treated with an anti-rust treatment to ensure that this stunning classic remains in excellent condition in the future.

Technical upgrades:

- Improved suspension systems for an even better driving experience
- Alternator for a reliable electrical system
- High torque starter for smooth starting performance
- Electronic ignition for enhanced performance
- Mini-Lite wheels for a sporty look and improved handling
- Surrey Hardtop for extra comfort and protection

A Brief History of the Triumph TR4A: The Triumph TR4A was produced between 1965 and 1967 and is one of the most beloved British roadsters of the 1960s. It was the first TR model to feature independent rear suspension, significantly improving the driving experience compared to its predecessors. With its stylish design and excellent driving characteristics, the TR4A has earned legendary status among classic car enthusiasts. This car offers the perfect balance of sporty performance and elegant looks, making it a favorite among collectors and drivers alike.

Let the quality of this beautiful British classic convince you. The car is available for viewing in our showroom. Don't miss this opportunity to own a piece of automotive history!
