Alfa Romeo GTV 1750 (1968) – Fully Restored – Iconic Italian Design

A unique opportunity to own a true piece of automotive history! This stunning **1968 Alfa Romeo GTV 1750** has been **fully restored** and is presented in **outstanding condition**. The car comes from its **second owner** and features a rare and elegant color combination that perfectly complements its classic Italian character. The restoration was carried out with great care and precision – a **full body-off rebuild**. Photos of the restoration process are available, clearly showing the car being brought back to its original glory with passion and craftsmanship.

Specifications and Features:

• Year: 1968

• Model: Alfa Romeo GTV 1750

• Engine: 1750 cc four-cylinder engine, renowned for its smooth and powerful performance

• Transmission: 5-speed manual gearbox

• Color: A rare and tasteful combination that enhances the car's timeless appeal

Design and Heritage:

The Alfa Romeo GTV 1750 is an icon of Italian automotive history and one of the finest examples of the legendary **Bertone design**. With its sleek lines and sporty proportions, the GTV represents a perfect balance between elegance and performance. In the late '60s and '70s, this model was not only a visual masterpiece, but also a symbol of technical innovation. Thanks to its lightweight aluminum engine, refined suspension, and precise steering, the GTV delivered exceptional driving dynamics that captivated enthusiasts worldwide.

Its chassis dynamics were ahead of their time – with a sporty wheelbase, ideal weight distribution, and responsive handling, the Alfa Romeo GTV 1750 remains one of the most beloved classic sports cars to drive. The lively engine is both powerful and remarkably reliable. The sound it produces is nothing short of a **symphony of pure Italian passion** – every corner and straight is an experience in itself.

Restoration and Condition:

This Alfa Romeo GTV 1750 has been **fully restored**, with meticulous attention to every detail – just as you'd expect from a car of this caliber. The **body-off restoration** ensures that every inch of the vehicle is in top condition. The bodywork is laser-straight, the paintwork flawless, and the interior has been completely renewed while carefully preserving the original charm of the car.

A Rare Opportunity:

With a car like this, you're not just getting a thrilling driver's car, but also a **true investment for the future**. The Alfa Romeo GTV 1750 has become a sought-after classic, and this fully restored example is a true **gem for collectors and enthusiasts** alike. The stunning

color combination, rich history, and superb driving characteristics make this vehicle a rare piece of Italian heritage.
