Opel Speedster 1 of 7200

Reference	25.035
Displacement	2198 cc
Power	108 kw/147 hp
Bodytype	Convertible
Status	2nd hand
1st registration	04/2002
Mileage	45600 km
Fuel	Gasoline
Color	Silver

Info

Lightweight, pure, and exactly how a Speedster should be. This silver metallic Opel Speedster with black interior blends iconic looks with a raw, analogue driving experience. The removable black canvas roof turns every trip into an open-air adventure.

Ownership & provenance

• Original Belgian car

• Third owner

• Always cared for and recently improved with targeted upgrades

Recent investments

• Upgraded, adjustable suspension — fine-tune it for the street or twisty weekend routes

• New tyres — fresh rubber for maximum grip and feedback

• Full detailing + ceramic coating — deep gloss and durable paint protection

• Recent service — ready to drive, no immediate expenses expected

Why this Speedster?
With its mid-engine layout, low seating position, and direct steering, every kilometre is a celebration. The adjustable dampers let you choose: taut comfort for the street or extra sharp for your favourite driver's road. The low weight translates into agility and braking confidence; the car feels lively, communicative, and engaging—exactly what you want from a purist sports car.

Brief model history
The Opel Speedster (sold in the UK as the Vauxhall VX220) was built between 2000 and 2005 by Lotus in Hethel (UK) on a variant of the Lotus Elise Series 2 aluminium chassis. The project was a collaboration between General Motors and Lotus; as a result, the Speedster inherited the Elise DNA (lightweight, rigid, pure) with its own design and powertrains. In total, around 7,200 units (Opel + Vauxhall combined) were produced—making it rare and an emerging modern classic. Its handling is renowned for kart-like agility, razor-sharp steering feel, and neutrality at speed—precisely the traits that make the Speedster so beloved by enthusiasts.

Summary

• Silver metallic, black interior, removable canvas roof

• Original Belgian Speedster, 3rd owner

• Adjustable suspension, new tyres, full detailing + coating, recent service

• Ultra-light, communicative, and playful—a true driver's car through and through
