Austin-Healey Sprite “Frogeye” – Red | Black leather | Fully restored

Charming, light, and irresistibly iconic. This Austin-Healey Sprite “Frogeye” is finished in bright red with a beautiful black leather interior—classic British motoring in its purest form. Equipped with a black soft top, side windows, and tonneau cover. A very fun, compact convertible with a surprisingly large boot. The car is in superb condition.

Highlights

- Fully restored by the previous owner
- An incredible 53 years in the same ownership – exceptional provenance
- Complete history with invoices and photo file
- Minilite wheels – period look, light and sporty
- Unbeatable classic-car quality in this budget class – for those who value true quality

Exterior & interior

- Crisp red bodywork, well-kept chrome, and correct details
- Black leather interior with neat finish
- Black soft top, side windows, and tonneau cover included
- Spacious boot for weekend trips and touring

Mechanics & driving

- Lightweight, agile, and communicative – driving pleasure in every kilometre
- Engine and chassis carefully set up after restoration; drives fresh, smooth, and assured
- Brakes and gearbox feel tight and confidence-inspiring

Provenance & documentation

- 53 years in the hands of one owner until the recent sale
- Restoration invoices and photo record present – transparent, well-documented quality

Brief model history

Introduced in 1958, the first-generation Sprite became famous as the “Frogeye” (or “Bugeye” in the US) thanks to its distinctive bonnet-mounted headlamps. With its simple, light chassis, modest yet eager engine, and playful handling, it grew into a favourite for both street fun and club racing. The Sprite embodies the classic British formula: low weight = big fun.

Summary

- Austin-Healey Sprite “Frogeye”, red with black leather
- Black soft top, side windows, tonneau cover
- Minilite wheels
- Fully restored, superb condition, exceptional history (53 years one owner)
- Invoices & photo file present
- Unrivalled driving pleasure and quality for this budget
