Triumph TR6 (1974) – Dark Blue | Overdrive | Beige Mohair Top

A **characterful, driver-focused TR6** with exactly the right ingredients. This **example was originally delivered to the USA**, later returned to Europe and was **completely restored in the Netherlands**. In **2021** we purchased the car there and sold it to a client who enjoyed it for years—and who is now ready for something new. We're **delighted to offer this charming classic again**.

Highlights

- **1974 TR6**, originally US-delivered ? later **European restoration (NL)**
- **Overdrive** – lower revs at speed, relaxed touring
- **Dark blue exterior** with **brown/beige leather interior**
- **Beige mohair soft top** – stylish and high-quality
- **Drives superbly**; wonderful **straight-six soundtrack**
- **3 carburetors** – crisp throttle response and strong breathing
- **Parts are easy to source and affordable** – carefree classic motoring

Driving & feel

The TR6's **six-cylinder** delivers **healthy low-end torque** and a **rich, addictive note**. With **overdrive**, it covers long distances effortlessly; the chassis feels **stable and communicative**, exactly what you want on B-roads and tours. This is an **ideal classic for anyone who wants pure enjoyment**—accessible, reliable, and offering a genuine 1970s sports-car experience.
